## **Suite Rental Option #1: ANNUAL RENTAL**

Tower suite rentals are available for \$6,000 per year for a three year term. The suites will seat approximately 21 people with standing room for an additional 5 people.

There are tables for catered affairs along with countertop, sink, small refrigerator, adjustable PA speakers and a dimmer system for the lights, to enhance nighttime viewing.

In addition, all of the suites will have programmable key cards (15 per suite) like the ones you find at most hotels. These cards will allow you and your guests exclusive access to not only your suite but will allow access to the reserved restrooms on either floor of the tower. The card will also allow you entrance to the preferred parking area, or the Diamond Lot at all events.

The suite holder will be given two season passes, and in addition will receive an allotment of **buy-back tickets** at the discounted price of \$15.00 each. Buy-back tickets can be given to your guests or VIPS and are good for use at all MDIR events. Buy-back tickets will only be charged to the tenant upon redemption at the gate, and cannot be used for racer entry.

**Suite Rental Option #2: SPECIAL EVENT RENTAL**

MDIR has over 20 special events over the course of the season. The suite rental fee is \$750 per event. The suite includes key cards for entry to the suite and reserved restrooms in the tower, tables for catered affairs along with countertop, sink, small refrigerator, adjustable PA speakers and a dimmer system for the lights, to enhance nighttime viewing.

**Suite Rental Option #3: WEEKLY PROGRAM**

On any of our weekly programs such as Test and Tunes, Speed Unlimited Midnight Madness, and the Speed Unlimited ET Series events (or any other events not on the special event calendar), the suite rental fee is \$350 per day, per event. The suite includes key cards for entry to the suite and reserved restrooms in the tower, tables for catered affairs along with countertop, sink, small refrigerator, adjustable PA speakers and a dimmer system for the lights, to enhance nighttime viewing.
